HOME RENOVATIONS

INTRODUCING

Home Help

Your one-call solution for hassle-free home
repairs & maintenance.

We're excited to introduce Home Help — a new service designed to take the
stress out of managing your home.

Local. Trusted. Professional.

Why choose Home Help?

- **One call does it all**
Simply call us and we'll handle the rest.
- **Trusted network**
We work with a carefully selected group of qualified, insured, and fully vetted tradespeople.
- **Full support**
From the initial quote to the finished job, we manage everything on your behalf, ensuring high standards throughout.
- **Stress-free service**
No chasing quotes. No juggling contractors. Just straightforward, reliable support.

Whether it's a leaky tap, an electrical issue, or a larger renovation project, Home Help is your one-stop solution for keeping your home in excellent condition — all year round.

Let us take care of your home, so you don't have to.

What's Included

We go beyond basic repairs to provide a comprehensive, preventative approach to home care, including:

- Annual home condition report
- Annual boiler service
- Annual gas safety report and certificate
- Fire and heat alarms checked annually
- Carbon monoxide detection checked annually
- Electrical testing and certification every five years (for loyal customers)
- Access to a trusted network of tradespeople
- A dedicated project manager overseeing everything from start to finish

With Home Help, your home's care is **comprehensive, hassle-free, and reliable.**

Additional Services Available

We also offer optional services, including:

- Key holder service
- Holiday visits
- Drainage services
- Window and gutter clearing and cleaning
- Garden and lawn services (seasonal/weekly)
- Weekly/monthly checks for unoccupied properties or building sites
- Ongoing property maintenance

Flexible Options

If you don't require the full Home Help package, we also offer tailored services.

Home Report Service

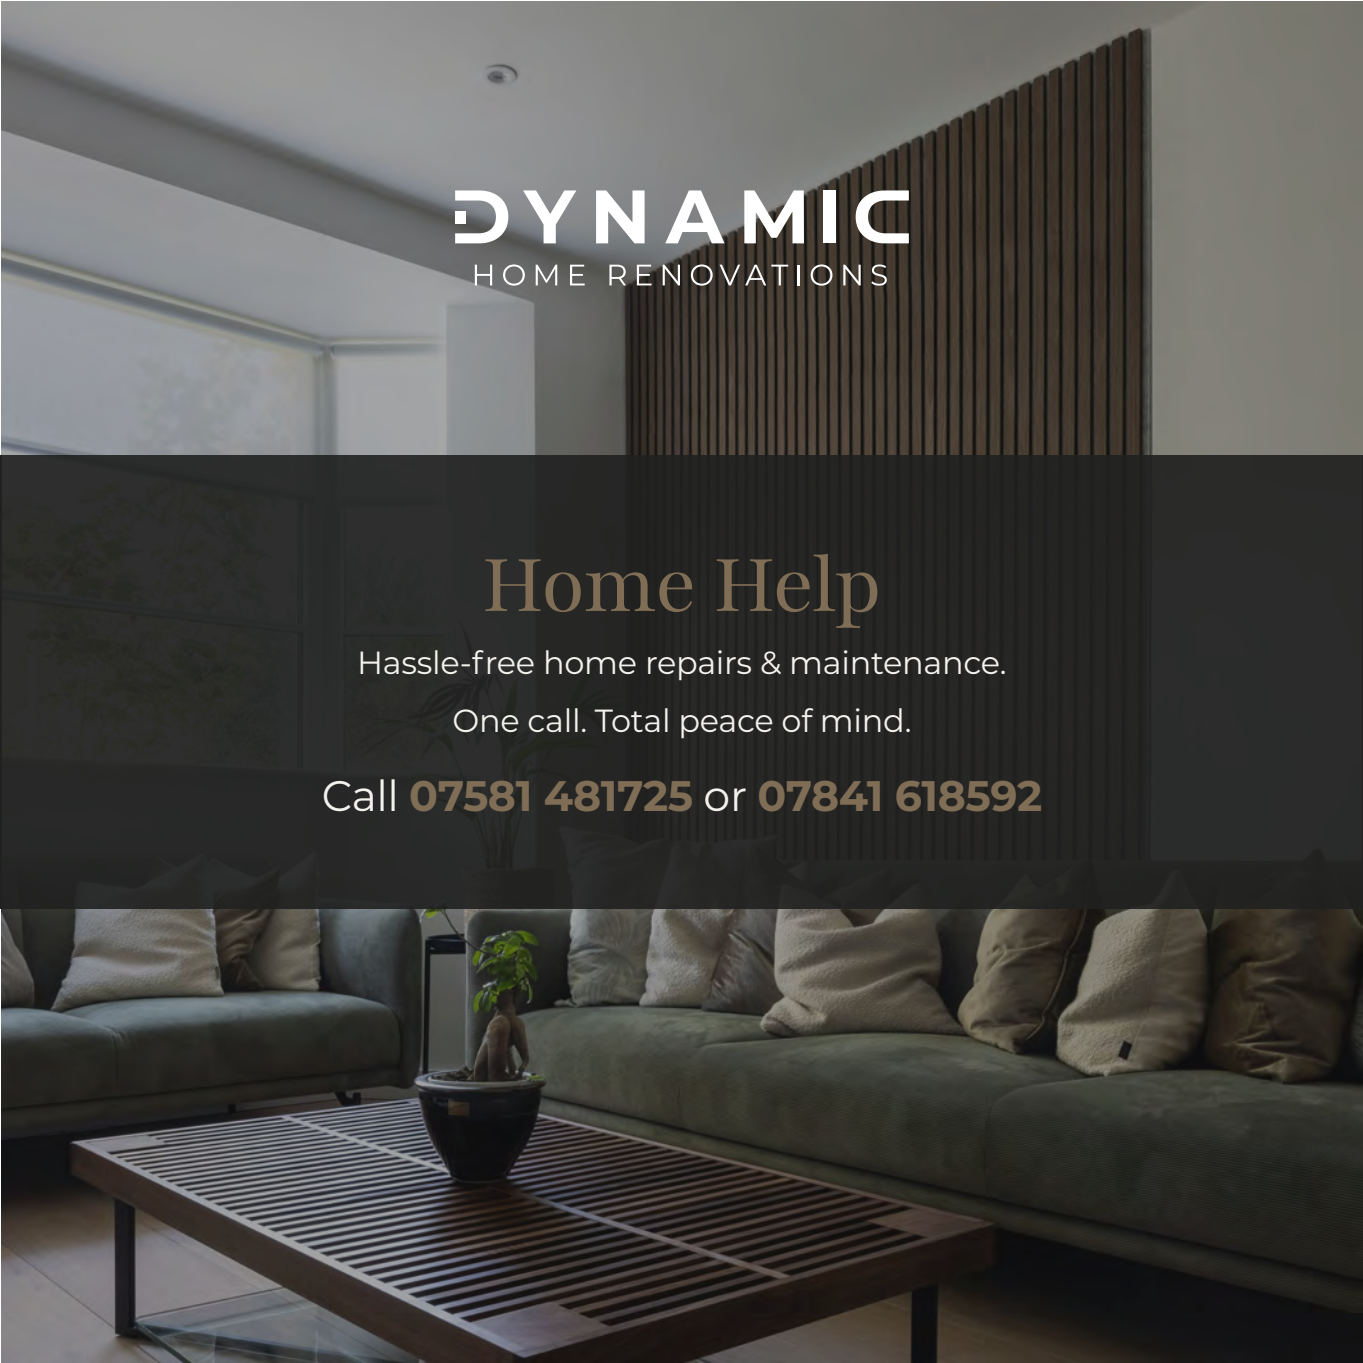

(Ideal for landlords or one-off property checks)

- Home condition report
- Fire and heat alarm checks
- Carbon monoxide checks
- Access to carefully selected tradespeople

Home Buyer Service

- Property walkthrough with the customer or estate agent
- Home condition report
- Expert advice on items requiring attention
- Identification of potential value-adding improvements
- Clear discussion of options, including pros and cons
